# 2019-20 Orange County Workforce Housing Scorecard

Debuting at the

## Workforce Housing Forum

Orange County Business Council's Workforce Housing Scorecard presents a picture of the state of workforce housing in Orange County as it pertains to affordability, density, population, and housing unit numbers, and ranks Orange County cities based on their balance between job creation and adequate housing supply.

- How should Orange County cities plan for the housing needs of each generation?
- Does your city measure up?
- What is Orange County's current workforce housing shortfall?
- From NIMBY to YIMBY.
- What are the long-term consequences of a workforce housing shortage?
- Will your OC graduates be able to afford a home?

Join OCBC as Dr. Wallace Walrod, Chief Economic Advisor, presents the findings of the **2019-20 Orange County Workforce Housing Scorecard**.

*\*Attendees will receive a copy of the scorecard.*
