

# 2019-20 ORANGE COUNTY WORKFORCE HOUSING SCORECARD KEY FINDINGS

## WHY THE SCORECARD MATTERS

Orange County Business Council's 2019-2020 Workforce Housing Scorecard provides a current snapshot of all aspects of the county's housing market and projects future workforce housing trends in Orange County, taking into account the complex relationships between economic growth, job creation, housing stock, affordability, population growth, density, projected new housing construction, and the crucial ratio of sufficient new housing production to meet demand created by new job growth.
